

As part of the **Hightech Agenda Bayern**, the University of Bamberg is going to fill seven professorships within the **Säule KI** and twelve professorships within the **Säule Hochschulereform** at the Faculty of Information Systems & Applied Computer Sciences.

Therefore, the Faculty invites applications for the position of

**Full Professor (m/f/d)**  
**W3 salary level of**

**Information Systems**

as tenured civil servant to be filled next possible date.

We are looking for an Information Systems (Wirtschaftsinformatik) expert who has shown excellent and innovative research in the IS discipline as reflected by a clear research profile, outstanding scientific achievements and international collaborations. The position holder should enjoy representing the field of Information Systems research and teaching and have recognition in one of these complementary research areas important for the expansion of Bamberg's IS teaching and research profile:

- digital transformation of established companies and industries as well as digital participation
- gaming and motivational business information systems

No research assistantships are assigned to the professorship to be filled. The focus areas of the professorship should adequately complement the orientation of the existing and emerging IS/WI group. Participation in the teaching of the Faculty's Bachelor's and Master's degree programs, especially in the Business Information Systems and International Information Systems Management programs, is an integral part of the duties of the position. Participation in tasks of academic self-administration and international exchange programmes is expected.

The relevant qualifications consist of a completed academic degree, pedagogical aptitude, a particular talent for academic work generally substantiated by the quality of a doctorate, and, in addition to this, further academic achievements. Additional academic credentials must be certified by a habilitation or equivalent academic qualification, which may also have been obtained through activities outside of higher education or within the scope of an assistant professorship.

Concerning tenured positions as a civil servant ("Beamtenverhältnis"), the candidate must be under the age of 52 years at the time of appointment (for exceptional cases see Art. 60 Abs. 3 Satz 2 BayHIG).

Where candidates are otherwise equally qualified, preference will be given to candidates with

disabilities.

The University of Bamberg has been certified by the Hertie Foundation as a family-friendly university and is committed to taking measures to help reconcile work and family life. The university is committed to promoting gender equality in the workplace and aims to increase the proportion of women in research and teaching. Women are given preference in the event of equal suitability, ability and professional performance.

The University of Bamberg is a member of the regional Dual Career Network (DCNN) and provides support for the spouses or partners of newly appointed staff. More information can be found at <http://www.dualcareer-nordbayern.de>.

Applications from abroad are particularly welcome. Basically, knowledge of German is a prerequisite for hiring; in exceptional cases courses may be taught entirely in English for the first two years.

Applications with significant documents (single PDF file: CV, list of publications and courses taught, copies of academic transcripts and certificates) are to be submitted in either German or English, and in electronic form, to the Dean of the Faculty of Information Systems and Applied Computer Sciences, Otto-Friedrich-Universität Bamberg, 96045 Bamberg ([bewerbungen.wiai@uni-bamberg.de](mailto:bewerbungen.wiai@uni-bamberg.de)) no later than December 1<sup>st</sup>, 2023. For questions regarding content, please contact Prof. Dr. Tim Weitzel by e-mail at [tim.weitzel@uni-bamberg.de](mailto:tim.weitzel@uni-bamberg.de).
