What Do Europeans Want to Do about Climate Change?

Comparing and Explaining Public Support for a Wide Variety of Policies

Professor Dr Malcolm Fairbrother
Uppsala University

Malcolm Fairbrother is a professor of sociology at Uppsala University, Sweden, and a researcher at the Institute for Futures Studies, Stockholm. Originally from Vancouver, Canada, he received his PhD from the University of California, Berkeley (USA), worked in England for ten years, and has also been a visiting researcher at institutions in Mexico, Spain, and Italy. Using both qualitative and quantitative methods, his research is about the politics of environmental protection, long-term policymaking, economic globalization, and social and political trust.
